Join Marco's Domino Diva for another popular Domino Art class. Just come and have fun — Ginger will supply everything you'll need to complete seven different sizes of dominoes! You can even walk out wearing a one-of-a-kind piece. She'll give you different ideas and suggestions and an instruction sheet with all the directions so you can do more at home! They're addictive, and you'll be amazed at how fun and easy they are!

*If you have favorite stamps you'd like to use, feel free to bring them with you.*
